Attn. Meredith Greene
106 E. 6th Street, Suite 900
Austin, TX 78701

Dear Meredith:

Thank you for your efforts – via APTA, Texas Transit Association, and the South West Transit Association – in helping members of the transit community as they deal with the aftermath of Hurricane Harvey.

My company, PTG International Inc, is a small business DBE. We are an APTA member, and have been supporting workforce development efforts in the transit industry since 2012. Over that time, we have grown in our appreciation and respect for the work of transit workers throughout the country. For that reason, we are particularly concerned about the plight of those who have been adversely impacted by the hurricane.

The employees of PTG regularly participate in an internal employee recognition program, where each employee can give a company-funded \$25 gift card to another employee who has gone above-and-beyond the call of duty. In lieu of recognizing and awarding each other for the remainder of 2017, PTG employees have unanimously decided to recognize, and assist, Texas transit workers who have lost their homes and belongings. As such, PTG is donating \$550 worth of \$25 gift certificates to the Texas Harvey Relief program. Please distribute them to those in need, and assure them of the prayers and well wishes of their friends at PTG.
